

## **Our Wednesday PLUS programme is simply ideal for English language learning!**

Fun effective method • Cambridge Young Learner English exam preparation classes (from 8+)

Maximum of 16 students per class • Affordable prices

With the belief that children learn better when they are having fun, we offer creative and original English lessons to English speakers and non-English speakers in small groups throughout the year.

At the end of every school year, we give our students the opportunity to take the Cambridge Young Learner English exams (Starters, Movers, Flyers) from the age of 8 years old.

With Wednesday PLUS, our students are sure to quickly acquire new linguistic and interpersonal skills.

## **Frequently Asked Questions**

### **1. Is there a level test?**

Yes, every student (except complete beginners) is evaluated as part of their first lesson to check that they are in the right class.

### **2. What does 'anglophone' mean?**

It means that the student can converse and is at ease at speaking (but requires more support in reading and writing) in English

### **3. Are the teachers qualified?**

All our teachers have the required teaching diplomas (CELTA / DELTA / PGCE) and they participate in continued professional development throughout the year.

### **4. Are the students given homework?**

Yes, it's important that the students continue their learning throughout the week. Normally they are given 30 minutes to an hour of work per week.

### **5. Is there a break during the session?**

For the 3 hour sessions, yes. The children bring a snack with them and they go outside to play with their friends. For the 2 hour session, normally no. However, the class remains very extremely active and dynamic so the children don't need a break.

### **6. How is progress measured?**

We assess the children's progress throughout the year with two tests before the Christmas and summer holidays. The results are given out in January and in June.

### **7. How are the results communicated?**

Parents receive a report via email with general comments and marks to demonstrate their child's progress in the four different skills (reading, writing, listening, speaking).

### **8. Is there a parents' evening?**

Yes, at the start of the year parents are invited for an informative evening to learn more about our objectives and to ask any questions about the programme. In January and June we invite parents to have a short individual meeting with the teacher

### **9. My child is a complete beginner. Can he still participate?**

Yes, absolutely. We offer specific classes for beginners.

### **10. Is the enrollment for the whole year?**

Yes, it is important for the children's progression and their pleasure and implication in the English language learning.

### **11. When are the holidays for the Wednesday PLUS programme?**

We follow the state school holidays according to the location of the school. Yes, we following the state school holidays.
